28 November 2026

Dear Parents

At the annual budget meeting (to which all parents were invited), held on **20 November 2025**, the budget and school fees for 2026 were presented, and approved by all parents who were present.

Our school is required by law to charge compulsory school fees and, as this is your school of choice, it is your duty and responsibility to ensure that payments are made regularly and on time.

School fees will therefore increase in 2026 to R38 500 per year.

Approved payment options.

- 1) **Once off, before the end of January 2026, R 35,600 (inclusive of a discount of 7.5%)**
- 2) **11 equal monthly payments of R 3500 pm (January to November)**

All school fees will be collected via Dt-Order by our new service provider, "NETCASH", Instructions to follow.

The governing body of a public school may, by process of law, enforce the payment of school fees by parents who are liable to pay in terms of section 40. Failure to pay will result in fees being handed over. This process will take place during the following term, throughout the entire academic year.

Statements for school fees are emailed monthly to all parents who have not paid in full for the year in advance. Please ensure that the school has your correct email address and send any changes to **finansies2@hsmelkbos.co.za**, for the attention of **Mrs. Brenda. Koen**.

Should you at any time be unable to meet your school fee obligations, please contact the school to make arrangements. Any financial arrangement can only be finalised once it has been submitted to the school in writing. Please contact Mrs. Koen in the finance department.

Thank you for your co-operation.

Mr. W. Jurgens
SGB Treasurer
